### 1. Your Schedule

If your schedule says “**Scheduled for Whistler (or Blackcomb) Ski or Snowboard**”, this means you are scheduled for Privates and are available to be booked. Please keep checking your schedule for updates and come to the morning meeting either on Whistler or Blackcomb (depending on where you are scheduled).

If you have a lesson on your schedule, please open the details on the right to see more info. Please remember your **client’s name**, double check **meeting location Whistler (W) or Blackcomb (B)**, and note ability level, ages etc.

*\*If you notice an error regarding lesson information on your schedule, please contact Privates Schedulers e.g. you are a skier assigned to a snowboard lesson. **Scheduler Phone # 604 905 2235 or text only # 604 902 9500***

The “Assignment” column of your schedule describes the history the guest(s) has with the instructor.

**Assignment** – single day lesson with guest(s) who has not had a lesson with you before.

**Continuing Assignment** – multiday lesson with guest(s) who has not had a lesson with you before.

**Private Request** – single or multi day lesson with guest(s) who you’ve taught previously and who have returned and are requesting you as an instructor.

**Upgrade** – Morning Lesson that you and your guest agree to extend to a full day lesson.

*\*If you notice your lesson should be labelled as “Private Request” but is labelled otherwise, please contact Privates Scheduling. They will confirm your history with your guest(s) and make the change.*

## 2. Private Instructor Meetings

**MANDATORY Morning Meeting is at 8:30am, Afternoon Meeting is at 12:25pm** @ the huts either on Whistler or Blackcomb **depending on your schedule**. If you are scheduled for Privates (even in the afternoon) be ready to go in the morning before guests show up.

Please remain in the privates' pros waiting location area until you have met your client or met with the supervisor for further instructions. Please arrive ready to work and greet your guests as soon as they arrive. Have equipment, flaks, kids' vests, etc. ready and be in your designated area/close by.

## 3. Private Lesson Details

- **Guest Level** - We often don't know the level of the guests – have a conversation to determine level and take them to the appropriate terrain. Ask what their goals are, when they skied last, at which resort, for how long, what terrain they feel most comfortable on, if they prefer wedge or parallel skiing or heel side/toe side riding. Unless all answers to your questions give you confidence that they can go up, always go for a warm up run at the Olympic Station or on Magic chair. This could save you from getting into trouble. Their private lesson should be catered to their needs and goals, while you keep them safe and engaged.
- **Level Splits** - If you have a split in your lesson, e.g. family lesson where kids and parents have different ability levels, explain that the lesson focus will be primarily aimed at the lower-level guests in terrain that is appropriate for them. Level differences need to be taken into account and discussed in order to align guest expectations. If appropriate, you might suggest guests book a second instructor or a kid/adult group lesson if this will better suit their needs.
- **Continuing Assignment Meeting Location**  
After the first day of a Continuing Assignment, you may arrange alternate meeting locations with them for the rest of the booking. However, we expect you to come to the morning meeting and check in with your supervisor.
- **Upgrading a Morning Lesson to a Full Day Lesson**  
To upgrade, call **Pro Concierge (604 935 9154)** and provide them with your guest's name and lesson information. Upgrades increase your work hours and add 3 request hours to your profile. Upgrades might not be approved during busy periods when instructor numbers are limited, or if you are already booked on an Afternoon Lesson and a replacement instructor is not available.

*\*See Whistler Blackcomb Snow School Compensation Plan – 2023/24 for details on Private Request Hours, Privates Incentive Rate, and Privates Instructor Rank.*

## Adult Private Lesson Details

**Bookings for lunch are completed on the Tock App for Christine's and Steeps.**  
**Please check the TOCK App for release dates on reservations.**

- **Waiver / Safety Voucher.** All adults **19 and over** need to have signed a lesson waiver. If they have a Pass Product (epic pass, edge card), this is included in the Pass Waiver. If lesson notes say **NO ROL** it means **the guest(s) needs to sign the snow school waiver**. ## 5. Injuries

Always report any injury or suspected injury to your supervisor before you leave for the day – no matter how minor. You will be paid for the time required to receive first aid assessment so please wait if there is a line. **All injuries should be checked at the First Aid Room @ Blackcomb Admin building** (Tuesday to Friday 7:30am to 5:30pm 604-938-7302) or by calling patrol 604-935-5555 if the First Aid Room is closed.
